Verse 1 (double verse)

Well, I set out to write a song about The One who bought us our free - dom

To find so many words to explain just why it is we need Him

And people told me, "hey that's nice, but don't say His name explicitly"

"Ge - nericize and sanitize, and don't stir up a controversy"

So I put on my thinking cap, and poured some grape juice in a glass

And jotted down some words to summa - rize The One who calls Himself

Chorus

The Way, The Truth, The Life, yeah everybody's looking for

The Way, The Truth, The Life, oh, and by the way His name is Jesus

Verse 2

Well, look. There, I said it. I guess I've gone and made someone mad

But I can't bring my - self to say I'm sorry, so that's just too bad

And I may say it plenty more, a thousand times a week before

I see the day when we are not as - hamed to say that Jesus is

Verse 3 (half verse)

Now if you're listening to this and you still have a problem with

Me saying J - E - S - U - S, then this verse is for you

Alternate Chorus
